NIKKO CHEMICALS Establishes
An Affiliate Company in India

Tokyo, June 2nd, 2023 - Nikko Chemicals Co., Ltd. is proud to announce the opening of Nikko Chemicals (INDIA) Pte. Ltd., India. The opening ceremony was held earlier, on May 2023.

Until 2023, the NIKKOL GROUP had two affiliates in Asia to support distribution in the region. The first being Nikko Chemicals Shanghai Corporation (est. January 2007) in Shanghai, China, followed by Nikko Chemicals (Singapore) Pte. Ltd. (est. May 2007).

In order to further strengthen our position in Asia, we have established a new office in India. We have been distributing raw materials through local network to Indian customers until now, and our new office is designed to further support the local cosmetic industry, providing cutting-edge technology and innovation, in order to grow together with the Indian personal care market.

The NIKKOL GROUP has formulated a new three-year medium-term management plan starting in 2023, and has set the goal of becoming "the No.1 partner in Asia" as one of the pillars of our business strategy. Five countries have been selected as focus areas. We aim to contribute to the development of cosmetic industry by going further and beyond simply supplying raw materials.
